

A woman with short dark hair, wearing an orange long-sleeved shirt, a patterned scarf, and olive green pants, is smiling and sitting on a blue Peugeot bicycle. She is holding the handlebars with both hands. The bicycle is parked against a light-colored stone wall. Three pink text boxes are overlaid on the image, each containing a question or instruction. The first box at the top asks 'Photo of the head of your municipal?'. The second box in the middle asks 'Greeting – from the head of your municipality, for example.'. The third box at the bottom asks 'Alternatively, show the “Alternative to greeting” level'. The woman is also wearing black shoes and has a small brown bag slung over her shoulder. The background shows a stone wall and a paved ground.

Photo of the head of your municipality?

Greeting – from the head of your municipality, for example.

Alternatively, show the “Alternative to greeting” level

Download the CITY CYCLING app,
track your journeys and help improve your local
cycling infrastructure!

See city-cycling.org/app for details.

Your picture?

What's it all about?

Cycle for 21 days to promote cycling, help protect our climate and improve the quality of life in your municipality! Collect kilometres for your team and municipality. Whether you're cycling to work or in your leisure time – the goal is CO2-free travel! It's well worth taking part – many of the participating municipalities offer some great prizes and awards.

How can I get involved?

Register for your municipality on city-cycling.org, then join an existing team or form your own – after that, you can get cycling! Track the kilometres you cycle online or use the CITY CYCLING app to track your journeys.

Who can I join?

Local residents, employees of a company, school or university in the participating municipality.

When can I get involved?

Every year, from 1 May to 30 September on 21 consecutive days. Your municipality will set the dates for the local campaign.

Where can I sign up? Who is in the lead?

See city-cycling.org and social media for full details of how to sign up, the results and much more.
